	Prices are subject to exchange rate fluctuations

All prices are in £ sterling and exclude VAT. Our policy is one of continuous improvement, so specifications and prices are subject to change. CiPi Computers are typically shipped within 3 days and are fully configured and tested. If your requirements differ from those shown, then please be aware that customisation is our speciality. E&OE.

The CiPi Brand is all about quality and support. We don't operate call centres or call queuing. In most cases you will be able to get to an engineer without waiting. Every case is dealt with by an expert - and we diagnose each case individually. If this is your first CiPi Brand purchase you're about to be pleasantly surprised. Choosing the CiPi Brand will make a big difference to your business. Or to your home IT experience. And we've been doing this for over 35 years.
